High-End Audio/Visual Design and Installation. From One of Chicago's Most Trusted Commercial Electrical Firms.

Gibson Electric & Technology Solutions is an ISO 9001:2015-certified electrical construction firm specializing in commercial electrical and telecommunication infrastructure design, structured cabling installation and maintenance, electrical power distribution systems, data transmission systems, and Distributed Antenna Systems (DAS).

Additionally, Gibson Electric specializes in the installation and design of audio systems, video systems, kiosks, digital signage for offices, board rooms, meeting/huddle rooms, conference rooms, and video conferencing locations. Gibson Electric also focuses on general office automation, as well as automation in stores, malls, and other large indoor and outdoor gathering spaces.

Impeccable Audio/Visual Installation Services. From Impeccably Trained Technicians.

Gibson Electric's audio/visual installation services include:

- Installing all cabling, connectors, control, and audio/video equipment for conference and presentation rooms, video walls, paging, and sound masking systems, broadcast studios, etc.
- Installing various equipment: microphones, sound speakers, video screens, video projectors, flat screen televisions and video monitors, recording equipment, etc.
- Installing copper and fiber cabling to connect devices for AV control and connections.
- Video and audio control systems

Gibson Electric's additional value-added services include:

- Verify equipment is installed according to designated layout.
- Test and resolve equipment issues.
- Maintain inventory of equipment.
- Accept deliveries and move racks and equipment to final location.

GIBSON ELECTRIC & TECHNOLOGY SOLUTIONS AUDIO/VISUAL INSTALLATION

Safety Is Job #1. And #2, and #3, and #4...

Gibson Electric, an EMCOR company, is passionate about safety and quality. EMCOR's safety performance is far better than the Bureau of Labor Statistics industry averages, with a rate of injury that is consistently 60%–75% lower than competitors.
